The Honorable Richard Helms
Director
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms: *Rich*

The new Catalog of Federal Assistance Programs has just come from the printer. I am sending you advance copies for your personal use and to general distribution.

The new book is a revision of the previous edition. It represents a sizeable increase over the previous edition and now contains information on 458 Federal Assistance Programs. Its usefulness and value to the user is enhanced by this broader coverage of Federal effort.

This catalog could never have been produced without the cooperation of your Agency. Please accept my thanks for the efforts of your staff in assisting us to accomplish this very important assignment. Additional copies of this publication will be available for general distribution in June and a sizeable quantity will be automatically furnished to your Agency for distribution. If more are needed they can be obtained by addressing a request to the Information Center, Office of Economic Opportunity.

Thanks again for your support in this very important assignment.

Sincerely,

151- Savage
Sergeant Shriver
Director
